Exploring Research opportunities

COLLABORATION

IAIRS would like to collaborate the colleges,/universities/ industries in conducting conferences/ seminars/workshops. In brief collaboration work includes the following.

Our doctoral reviewing panel and scientific committee select the high quality and up-to-date/advanced research papers. Our organizing committee has highly professional people will make the event most successful.

About IAIRS

IAIRS is established to provide researchers an effective and professional platform to explore research findings, share advanced level research knowledge in different areas. IAIRS's main aim is to take research solutions to the industry level and to the community. Presently IAIRS has three units. 1. Conducting International conferences, 2. Conducting research within IAIRS, 3. Working on Advanced level software projects.

About ICITEC – 2013, ICEE - 2013, & ICELL – 2013, Hyderabad, India

International conference on Information Technology, Electronics and Communications (ICITEC – 2013, Hyderabad, India), International Conference on Electrical Engineering (ICEE – 2013, Hyderabad, India) and International conference on English Language and Literature (ICELL – 2013, Hyderabad, India) were conducted by IAIRS on July 6 - 7, 2013.

These international conferences have started with opening ceremony with participants and guests. Dr.Muralidhara Rao was invited as Chief Guest, Dr.Syed Azeemuddin and Dr. Habeeb ullah Khan were invited as Keynote Speakers for ICITEC – 2013 and ICEE - 2013. Dr.Prabhavati.Y and Dr.Dharmaraj.M were invited as Keynote speakers for ICELL – 2013.

In Opening ceremony, director of research for IAIRS delivered a brief speech and report about conferences. Chief guest delivered the effective speech on demand and ongoing research developments in engineering. Dr.Prabhavati and Dr.Dharmaraj delivered the speeches on English language and literature and its importance in society. This opening ceremony was followed with regular technical sessions. Keynote lectures were scheduled on July 6, 2013 followed with regular sessions. Technical sessions for ICITEC and ICEE were chaired by Dr. Muralidhara Rao and Mr.Kumara Swamy. Dr.Dharmaraj and Dr.Prabhavati chaired the regular sessions for ICELL – 2013.

On July 7, 2013. regular sessions for ICITEC, ICEE and ICELL were scheduled. Sessions were chaired by Dr.A.Sandya Reddy, Dr.Roshan Benjamin khan and conference co chair Mrs.Archana Thakoor. After successful completion of the all the sessions, closing ceremony was conducted and certificates were awarded to IAIRS Volunteers.

According to participants and guests, the conferences were a huge success, highly professional and a great achievement for IAIRS.
